APPENDIX G

Overview

Central Hudson Gas and Electric Corporation (“CHGE”) is seeking to procure dispatch rights contracts for an aggregate total of at least 10 MW of Bulk Energy Storage Projects for interconnection into the CHGE system. To ensure no conflicts of interest exist, CHGE is requiring Developers disclose any and all the contractors or sub-contractors that provided direct or indirect input into the development of each offer submitted. A *brief* description of the services provided is also required. Indicate in the column provided whether the contractor services were used for Round 1, Round 2, or both. Please use the table below and expand it as necessary to include all contracted service providers:
