Gas Supervisor  
Gas Operations – Capital Construction

***Come attend our open house informational session  
hosted by Central Hudson in the lobby at  
Poughkeepsie City Hall, located at 62 Civic Center  
Plaza, on Thursday, March 6th, from 5:30 p.m. to  
7:00 p.m.***

February 25, 2025

Dear Central Hudson Customer,

In an effort to improve the safety, reliability, and performance of the natural gas distribution system, Central Hudson is undertaking a comprehensive natural gas main and service replacement program in select communities throughout the Mid-Hudson Valley to address and modernize aging infrastructure.

As part of this improvement initiative, Central Hudson will be investing in the natural gas system in your neighborhood by replacing the main lines in the street and service lines that connect to individual homes and businesses. Central Hudson is working with our construction partner, J. Mullen & Sons, Inc., to install these new natural gas distribution mains and services.

Replacement of approximately 6,200 feet of gas lines in the City of Poughkeepsie is formally set to begin in March and the project is estimated to take 3 months to complete. Construction trenching will occur along:

- Fairview Ave, between Parker Ave and Morton St
- Parker Ave, between Washington St and Foster St
- Garden St, between Parker Ave and W Oakley St
- Brookside Ave
- Foster St
- Sunnyside Ave
- Reservoir St
- Buckingham Ave, between Parker Ave and Denver Pl
- Hamilton Ct

If your service line is affected, J. Mullen & Sons, Inc. will contact you to schedule an appointment for its replacement. Please note that this entire process requires work to be performed

both inside and outside of your home or business. Natural gas meters currently located indoors will be relocated by Central Hudson or one of our contractors to an outdoor location to improve future access to this equipment by utility personnel. All Central Hudson employees and contractors display identification badges.

Any disruptions to your property will be restored by our crews or our professional landscape and paving contractors. If you do not own the home or property, please refer all decisions concerning this work to the property owner.

Central Hudson is working closely with your municipal officials in planning this work, such as coordination with paving, restoration, and other planned infrastructure projects. In addition, *we invite you to attend an open house informational session* hosted by Central Hudson in the lobby at Poughkeepsie City Hall, located at 62 Civic Center Plaza, on Thursday, March 6th, from 5:30 p.m. to 7 p.m. There, we will be glad to provide additional information about the project and address questions you or your neighbors may have.

If you have any questions about this activity, please do not hesitate to contact me at (845) 334-7008. *For more information about this important initiative and to view weekly updates for each project, visit [CenHud.com/GasProjects](http://CenHud.com/GasProjects) on your browser or at the QR code below.*

Sincerely,

Matt Guthrie
